SOLDIER NELSON IS NOW IN SECOND PLACE

OWING TO THE UNAVOIDABLE POSTPONEMENT OF THE MARATHON RACE THE STAR'S GUESS-ING CONTEST WILL REMAIN OPEN TILL SATURDAY NEXT AT NOON.

A big mass of votes in the Marathon competition were recorded yesterday. Soldier Nelson made a very substantial gain and is now in second place. Scharsch and Sam Hop are tied for third position. Ayres remains a good fifth.

Lebreach, Kuhns and Cockburn all made good advances yesterday but the feature of the voting was the support accorded Graves who jumped from 7 votes to 30.

Pat Walsh was overlooked for the once although he states that he expects to be right there at the finish.

Cockburn is a Y. M. C. A. man and is said to be doing some very good running in practice.

Beckert has fallen off in the voting, due presumably to rumors of his not being in the best of condition.

Fahy is reported to be in fine fettle at present and this old long distance man is expected by many to finish in the first six.

J. Doss is said to be a phenomenal walker and will negotiate the course in fair toe-and-heel style. He is a colored man and has some excellent records for long hikes in the sunny South.

The contest furnishes a chance for anyone who has an opinion as to what man will be first home or what time the race will be won in, to earn a couple of prizes well worth winning.

The sender of the list corresponding most closely with the placings of the first six men in the race will receive \$10.

ART MEDAL IS VALUABLE LAST CHANCE TO ENTER RACE

It has been decided to reopen the entry lists of the Marathon and bicycle races. New entries will be received until 5 p. m. on Monday at Wall, Nichols Co. store.

The entrance book has been reopened in response to several requests from runners and walkers who have discovered since the closing of the original entries that they can go some distance.

There have been several withdrawals

THE MARATHON IS POSTPONED

Owing to the impossible condition of the roads between here and Wailua it has been found necessary to postpone the Marathon race until next Sunday.

All tickets purchased for the special train will be honored on March 21. Those who are unable to go next Sunday will have their money refunded on application to A. K. Vierra.

SULLIVAN IS NOW FAVORITE

There has been a marked disposition to back Sullivan this morning and the odds are now 10 to 8, with Dick at the long end.

There is little to add to what has already been said. The men are billed to battle for the middleweight championship of Hawaii under clean break rules, over a fifteen-round course.

It is probable that Jimmy Fox will be the third man in the ring.

The four-round go between Queerstreet of H. M. S. Cambrian and Soldier Nelson is attracting a lot of attention, the international character of the bout giving it an added and exceptional interest.

Kid Terry will go four rounds with Corporal Bird and the fracas should be well worth watching, judging by the scrap these two spirited lightweights put up a week ago.

Soldier Merriam is scheduled to go eight rounds with Young Sharkey and the bout between these two improving youngsters is expected to be as interesting as any other number on the program.

HALF WETS WANT GAMES

Captain Davis of the U. S. M. C. ball team had his aggregation of players at practice on Thursday afternoon at Atkinson park, notwithstanding that he is out of the game on account of a broken finger received in the first inning of last Sunday's game with the Kewaloas.

The players showed good form, Williams holding down second in place of Davis.

The Marine team have shown great improvement the last six weeks and it will be a hard fought battle between them and the Kewalo nine for second series of the Atkinson league.

If it is decided that the game recently played between the two teams is void on account of not using official balls, the protest is now before the board

of appeals and it is hoped that they will go according to the league rules. If the rules of the league were violated by either team and the board declares the game void, it will leave the two teams tied for first place in the second series.

If the Marines should win the tie game it would give the public a chance to see some real fast ball, for the two teams would lock horns. In a series of games to see which would carry the pennant home, one being the winner of the first series and the other, winner of second series.

Captain Davis says that he is anxious to get games at any time with any team at any place. Any team desiring a game with the "Half-Wet" aggregation can be accommodated by addressing the captain or manager, CAMP VERY.

DR. HAND ON TRAINING

Dr. Hand, physical director of the Y. M. C. A. and an authority on training for long distance running, has furnished The Star with the following valuable pointers on training which will undoubtedly be read with interest by all who contemplate starting in the Marathon a week from tomorrow.

1. Never take a long run after a hard day's work that has been preceded by a short night's rest. One should have at least nine hours of ground hog.

2. Do not wear heavy clothing or sweaters while running for they only tend to reduce your weight by overheating the system, and a long-distance runner should keep his weight or put on weight while training. If one must have something to keep him warm while resting carry the sweater and trousers rolled up in a tight bundle and tied to the belt over the hips. The extra weight of the clothing properly secured, will not wear the runner out nearly as much as it would if he was wearing it.

3. Do not drink much from two to five hours before a long run. Drink as much good clear cool (not ice cold) water as you wish not earlier than a half hour after a run.

4. Never run on an empty stomach and never on a full one. Try to have a light solid meal at least two hours before running and do not eat till an hour after a run.

5. Do not take a cold plunge or a soak in a hot tub after a long run; one affects the heart, and the other weakens and uses up energy. Take a warm shower, and if possible place a chair under the shower and rest in it while giving yourself a good soap and warm water rub.

6. The last and most important thing to do is to take an undisturbed sleep of at least one hour immediately after the warm bath. If you omit the sleep immediately after the run you will lose weight.

7. Never run the full distance of the final course in try-outs. Always begin on short slow runs and learn to gauge your stride and speed fully two months before the race and at least a month before trying long distances.

SPORTDRIFT

Owing to the wretched weather the cricket match between the Honolulu Cricket Club and H. M. S. Cambrian has been called off.

The High School Inter-class athletic meet will take place at the Boys' Field this afternoon, rain or shine.

The men of H. M. S. Cambrian may give a minstrel show while in port. The center forward of the H. M. S. Cambrian's soccer team is Burns, well known as a clever player of the Association game in England.

There is a clever lightweight boxer aboard H. M. S. Cambrian, by name "Jackie" Isaacs. He can make 130 pounds.

Two cases of assorted soda water, Hawaiian Soda Works.
Fat turkey, Metropolitan Meat Company.

Two passes to the show, Lilliputian Opera Company.
